WALKER OF THE WEEK

My Walker of the Week once again is 18 year old Gold Coast walker **Katie Hayward**. Over the last three months, Katie has compiled a series of outstanding race times and broken records galore. At the Australian Championships in Sydney last Friday evening, she smashed her Australian U20 10,000m track walk record by a staggering 69 seconds, clocking **43:20.65** to win the Australian Open title. It easily bettered her 44:29.27 record from January in Canberra and comes on top of her sub-1:30 20km walks. And in more good news, 20 year old Jemima Montag finished not far behind her with a PB 43:51.47.

The two girls now move up to 3rd and 6th on my Australian All-Time ranking list. But the week belonged to Katie with her win. She must surely now arguably rank as the world's top female U20 walker.

WINTER SEASON CONSIDERATIONS

Some vital pieces of the jigsaw that is the Victorian/Australian winter roadwalking season.

- Our VRWC winter roadwalking season starts on **Saturday 27th April** with a double header at Middle Park - the AMA 10km roadwalk championships in the morning and our VRWC season opener in the afternoon. See more at <http://www.vrwc.org.au/vrwcw19.shtml>. Here's the program for the double header – note that the AMA 10km walk has been split into two races, one at 10:30AM and one at 11:30AM. It was felt that with nearly 80 entries, it would be safer to reduce the number of concurrent walkers on our VRWC course.

Saturday 27 th April 2019			Middle Park

10:30am	10km	Race 1: all ages up to 55-59 age group	Men and Women

- The biggest carnival of the winter is the annual Lake Burley Griffin Carnival, which is held in Canberra on **Sunday 9th June**. ACTRWC, the local organisers, advise that online entries are now open. Everything you need to know is found on their carnival page at <http://www.actwalkers.com.au/lbg-racewalking-carnival/>.

There were a few issues last year with their online entry system being able to cater correctly for multiple event entries. This has now been fixed and a \$60 cap is in place for walkers who want to enter multiple events. The online entry system is accessed at <https://www.trybooking.com/book/event?eid=477790&>.

- Athletics Australia has announced that the 2019 Australian Roadwalk Championships will be held in Canberra on **Sunday 8th September**. That means we have had to change the date of the Victorian 50km roadwalk championships which had been scheduled on that date. It has now been pushed back it back one week to Sunday 15th September. The amended VRWC winter season fixture is found at <http://www.vrwc.org.au/vrwcw19.shtml>.

RWV UNIFORMS

With our VRWC winter season fast approaching, I am organising a refresh for our Racewalking Victoria (RWV) uniforms. I have already placed an order for RWV singlets, including lots of our smaller sizes, as we ran short of these last winter. They should be available from mid May.

With regard to our **RWV crop tops, bike shorts and hoodies**, we do have some stock but not in all sizes. We only order what people want for these items, as the options are many and varied. We have activated our uniform ordering page <http://vrwc.org.au/wp1/rwv-uniforms/>. Crop tops, bike shorts and hoodies **MUST** be ordered by **Sunday 28th April 2019**, either using the form on that page or by email to me at terick@melbpc.org.au. Ordered items will be ready by the LBG Carnival in early June.

AVTTP PROGRAM

Did you know that Athletics Victoria runs the **Athletics Victoria Target Talent Program (AVTTP)**. This is a high-performance pathway program funded and regulated in partnership with Athletics Australia and the Victorian Institute of Sport. The aim is to encourage the best young athletes in the State by inviting them to be part of a State level squad and participate in development opportunities. You can read more about it at <http://athsvic.org.au/get-involved/athletes/squads/>.

The 2019 AVTTP will focus on athletes born in 2001, 2002, 2003 or 2004 (Athletes who fall outside of this date range may be considered via discretionary selection). **Nominations close on Friday 12 April!**

So get busy and read all about it and then talk to your coach. You may qualify for selection, but you have to nominate first.

AUSTRALIAN ATHLETICS CHAMPIONSHIPS, SYDNEY, 1-7 APRIL 2019

And now onto our race reporting. I start with the Australian Athletics Championships which were held in Sydney last week. I discussed the first few racewalks (the U20 10,000m walks and the U15-U16 3000m walks) in last week's newsletter. This week, I complete the job with the remaining racewalks.

But before I start, just a plug for the Athletics Australia AthsTV facility which is working its way towards posting video replays of every event that was livestreamed throughout the 2019/19 Australian Athletics season. Just browse to <https://athstv.jwpapp.com/>. So far, they seem to have two of the Australian Championship racewalks posted:

<https://athstv.jwpapp.com/m/EjXnmCpt/u17-18-boys-5000-metre-walk-final-2019-australian-championships>
<https://athstv.jwpapp.com/m/yqlyuZsy/u17-18-girls-5000-metre-walk-final-2019-australian-championships>

Presumably, the remaining Australian Championship walks will soon be added.

Tues 2nd April

The U14 3000m walks were contested last Tuesday, with wins to **Milly Boughton** (14:26.12) and **Sam McCure** (14:26.19). Lots of PBs amongst the walkers. Very impressive!

Friday 5th April

The men's and women's Open 10,000m Walks were held on Friday evening in just about perfect conditions. The rain had stopped and it was cool and still. See the report at <http://www.athletics.com.au/News/Article-Details/ArtMID/7358/ArticleID/2061563/More-Hayward-records-on-day-five-of-the-Australian-Track-Field-Championships>.

In the men's walk, **Dane Bird-Smith's** continued his return to top form, with a personal best time of 38:30.61, strengthening his position as the second fastest 10,000m walker in Australian history. **Rhydian Cowley** was second with 40:44.81 and **Quentin Rew** was third with 41:02.24. As Quentin was competing as a visitor, the third place in the Australian Championship went to **Tyler Jones** with a PB 41:39.29. The first 3 finishers all broke the 41:30 qualifying standard for the Oceania Games. I was lucky enough to watch on a live stream and Dane looked brilliant.

The women's walk saw **Katie Hayward** and **Jemima Montag** head out fast, but it was not too long before Katie cleared away, walking brilliantly to finish with a huge PB time of 43:20.65. This time of 43:20.65 smashed her Australian U20 10,000m track walk record by a staggering 69 seconds (her previous record of 44:29.27 was set in January in Canberra). She has also clocked 2 sub 1:30 20km walks in the interim and is in a rare streak of form. Further back, a great battle raged between **Rachel Tallent**, **Simone McInnes** and **Clara Smith**, with Rachel just holding out Simone, 46:10.54 to 46:11.63. These first 4 girls all bettered the Oceania Games qualifying standard of 46:30.

Sadly, I need to reproduce some critical comments about these particular races. When I came to look at the results, I was surprised to see a major shift in the way they were timetabled. The final timetable had scheduled the events to be held as follows

9:00AM 5000m Walks U18 Boys/Girls 9:40AM 5000m Walks U17 Boys/Girls

The races that were actually held were differently structured

9:00AM 5000m Walks U17 and U18 Girls 9:40AM 5000m Walks U17 and U18 Boys

Here is what one of the Victorian parents had to say about this change

You probably heard how inconsiderate Athletics Australia were to our poor U17 boys and girls. As always we checked the timetable the night before. The next morning just before heading to the track about 7.45am Jelena Mandic text/rang us saying that she thought the U17 Girls race had been changed to 9am. At that time (7.19am) we checked the "Final timetable as at 5-4-19" online and it still stated the U17 girls at 9.40am U18 boys 9am, so advised Jelena accordingly.

On going to the sign in room. we were advised that the race had been changed and "it had been changed for several days and everyone was aware of it and had been contacted. And announcements had been made about this changed several times." We certainly had not been told nor heard over the speaker. When checking the timetable again at 8.15am it had magically disappeared from the Aust Aths website!

On arriving at the warm up track no-one else except one Qld coach was aware of the change. Some U17 walkers had not signed in 1hr before, but were then automatically signed in. Poor Grace Louey was still walking to the track when someone managed to contact her about the change. When questioned in the call room, most athletes didn't know anything about the change and many didn't really have a proper warm up as they had to rush to the call room. Even the boys were effected as Corey was warming up for his U18 walk when he found out his race had been moved to the later time.

Afterwards we found that Aths Aust had changed the U17 boys & U17 girls time on the "Live Results" page where you go to see the results. This is where Jelena had seen the change but was confused as there was still a "Final Timetable 5-4-19" on the website. We were always told a Final Timetable was gospel. Who looks on the live results page when the race has not been run, if there is a Final Timetable dated 5-4-19. Later that day the "Live Results" button was changed to say "Schedule & Live Results" and the "Final Timetable 5-4-19" disappeared.

I don't believe the race results would have changed because of this, but why would Aths Aust unnecessarily stress young athletes when there was no obvious reason why they should change the race grouping at such late notice - the day before - and not advise anyone properly. One parent spoke to Sean Whipp (Aths Vic Team manager) and he had not been advised of the change or he could have contacted the parents. They should have a block out time of 24-48hrs so they cannot change the timetable unless due to adverse weather effects.

FROM THE VAULTS – FRANK CLARK WINS THE 1969 AUSTRALIAN 3000M WALK TITLE

Since I have just finished reviewing the Australian Track Championships, let's go back 50 years to the 1969 Australian T&F Championships which were held on the cinders track at Olympic Park in Melbourne and which featured an Open Men's 3000m Track Walk. The 3000m walk, which was held in pouring rain, saw NSW walker **Frank Clark** win with a time of 12:54.4.

Frank Clark wins the Australian 3000m Track Walk in Melbourne 50 years ago

It was his only national win on the track and it balances nicely with 3 track silvers and three track bronzes. His national track medal performances read as follows

87TH INTERNATIONAL RACEWALKING MEET, PODEBRADY, CZECH REPUBLIC, SATURDAY 6 APRIL
--

Last Saturday 6 April saw the 87th edition of the classic Podebrady racewalking meet, with teams from France, Ireland, Italy, Lithuania, Slovakia and Hungary joining their Czech hosts. One of the last big meets before the European Racewalking Cup events in Alytus on 19th May, fields in all events were strong and large. Consider - 48 walkers entered in the women's 20km and 64 in the men's 20km. As usual, the event was well reported by marciadalmondo, with two press releases

http://www.marciadalmondo.com/eng/dettagli_news.aspx?id=3457

http://www.marciadalmondo.com/eng/dettagli_news.aspx?id=3458

The women's 20km saw a strong win to **Eleonora Giorgi** of Italy (1:27:46). She had been challenged early by young Mexican **Alegna Gonzalez** who held on to finish second in a 3 min PB of 1:30:21. Third place went to Guatemalan walker **Mirna Ortiz** (1:31:38). What makes Giorgi's walk even more impressive is that she is in heavy training for the 50km in Alytus. On current form, that could see a huge time! Special mention for Welsh walker **Heather Lewis** who finished 12th in a PB 1:35:04. Italy won the teams race (Giorgi and Colombi) in front of Lithuania (the Vaičiukevičiute twins) and France (Beretta and Terrec).

The men's 20km was much more tightly contested, with **Vasiliy Mizinov** (ANA) managing to win in 1:20:14, ahead of South African **Wayne Snyman** (a huge PB of 1:20:17) and early pace setter **Christopher Linke** of Germany (1:20:33). Back in sixth place, English walker **Callum Wilkinson** recorded a huge PB of 1:21:34 for a new national U23 record - it was in fact the second fastest British performance of all time. With Snyman 2nd and Wilkinson 6th, it was a good day for the Commonwealth walkers. Italy won the teams event (Tontodonati, Giupponi and Brandi) ahead of France (Campion, Quinion and Bordier) and Ireland (Wright, Boyce and McManamon).

28TH GRANDE PRÉMIO INTERNACIONAL DE RIO MAIOR, RIO MAIOR, PORTUGAL, SATURDAY 6 APRIL

Well reported as usual by marciadalmondo (http://www.marciadalmondo.com/eng/dettagli_news.aspx?id=3460). Fields were much smaller than in Podebrady but still stongly contested. The 20km walks were won by pre-race favourites **Qieyang Shejie** (CHN) and men **Eider Arevalo** (COL).

In the women's race, Qieyang Shejie went straight to the front and was on her own after 3km. From there on, she powered through to win with 1:29:00, little more than a training on a windy day, ahead of **Inna kashina** (UKR) with 1:29:30, **Sandra Lorena Arenas** (COL) with 1:30:00, **Raquel Gonzalez** (ESP) with 1:30:17, **Laura Garcia-Caro** (ESP) with 1:30:33 and **Erica de Sena** (BRA) with 1:31:16. That is impressive depth!

The men's race was very different, with a large group of about 15 walkers together at the front for around 14km. Aravallo had tried to break away then, only to be quickly caught. He tried again at the 18km mark and was successful on this occasion, going on to win with 1:21:15, ahead of **Diego Garcia** (ESP) with 1:21:26, **Eiki Takahashi** (COL) with 1:21:40, **Caio Bonfim** (BRA) with 1:21:44, **Noel Ali Chama** (MEX) with 1:21:56 and **David Hurtado** (ECU) with 1:22:03. There was certainly a Central and South American flavour to the top placings!

SWEDISH INDOOR TRACK WALK CHAMPIONSHIPS, STOCKHOLM, SWEDEN, SUNDAY 7 APRIL

Last Sunday saw the Swedish Indoor Track Walk Championships contested at the Sättra Athletics Hall in southern Stockholm. Pre-race favourites **Ato Ibáñez** and **Monica Svensson** won with 19:53.60 and 14:6.30 respectively. The men's race saw **Anders Hansson** return from some pretty serious health related time out and take second (21:54.53) ahead of Ato's brother **Remo Karlström** (22:22.11). Add in their brother **Perseus Karlström** (currently training in Mexico) and their mum **Siw Karlström** (second in the women's 3000m with 15:29.99) and you have a pretty talented walks family!

The Masters walkers contested 3000m, with some good performances. Especially by **Christer Svensson** (M50 14:28.39) and **Ingvar Nilsson** (M85 23:48.85, following on from his double gold in Torun, Poland).

Thanks to Birger Fält for the race report and photos at <http://www.gang.se/tavlingsgang/tavlingsnyheter/AtoochMonicavannISM>.

LA MARCHÉ DU GRAND EST, DOMREMY-LA-PUCELLE, FRANCE, 6-7 APRIL 2019

La March Du Grand Est (the Great East Walk) was the latest 24 Hour walk to be contested in Europe. Held last weekend in the Grand Est region of France, it consisted of a long point to point race from Domremy-la-Pucelle to Epinal. The main categories were a 167km for men and a 155km for women, as well as a team relay (4 walkers) of 167km. There were also various categories over shorter distances.

It was the latest Paris Alsace qualifier. One qualifier remains (Les 24 heures de Dijon on 21st April) before the fields are finalised for the Paris-Alsace classic. See the current qualifiers at <http://www.marche-mythique.org/bilans.html>.

I do know, in the absence of last year's winner Emmanuel Lassalle, Russian ultra champion Dmitri Osipov won the men's division, but I can't find any results as yet. I did find one video at <https://www.facebook.com/watch/?v=449152609169127>.

The best event website seems to be <https://www.sportaide.org/accueil>.

MARCIADALMONDO THIS WEEK

I am saddened to read the latest news release by the marciadalmondo editor. I can sympathise with him – sometimes the things we say (in good faith) as sports commentators are deemed to be controversial, even though they may not have been intended in that mode. I hope that the marciadalmondo absence will be short lived rather than long lived – it is such an important part of our world wide racewalking community and such a valuable resource to us all.

OUT AND ABOUT

- Another two provisional bans for Russian racewalkers from Chegin's stable of filth. Will this ever end!!!
 - 2012 World Junior Champion **Yekaterina Medvedeva** has been charged for a Biological Passport abnormality (that means the presence of a banned substance either now or at some time in the past).
 - **Sergey Bakulin** has also been charged for a Biological Passport variation. He has already had one of these. he was banned in 2015 for bio passport violations and stripped of a world title. Is he now the first athlete to be charged in this way a second time!

Both will now be provisionally suspended. We await details of the timeframes involved. See
