*** The team standings are those reported in the PDF "WORLD RACE WALKING TEAM CHAMPIONSHIPS - FACT & FIGURES" for the 2024 edition. This ranking, however, does not take into account the posthumous disqualification of China's WANG YAN, as mentioned on the World Athletics website in the athlete's profile and in the official race result. The Chinese athlete finished fourth. The team rankings have changed in points but remain unchanged in positions. China remains in first place, Italy in second, and Russia in third.*
