*** The team standings are those reported in the PDF "WORLD RACE WALKING TEAM CHAMPIONSHIPS - FACT & FIGURES" for the 2024 edition. This ranking, however, does not take into account the posthumous disqualification of China's WANG YAN, as mentioned on the World Athletics website in the athlete's profile and in the official race result. The Chinese athlete finished fourth. The team rankings have changed both in points and in the leading positions. Russia remains in first place, Italy in second and Belarus in third overtaking China.*
