2024 ACCRA (Gha)

The XIII African Games were hosted by Ghana from 8 to 23 March 2024. In addition to Accra, the games were also held in Kumasi and Cape Coast. The games were initially scheduled for August 2023, however failure to complete the facilities on time and discussions over marketing revenue led to the postponement of the games to March 2024. The walking events were held on a street circuit in Accra.
