2026 BRASILIA (Bra)

326 athletes, representing 41 countries, competed in 6 races

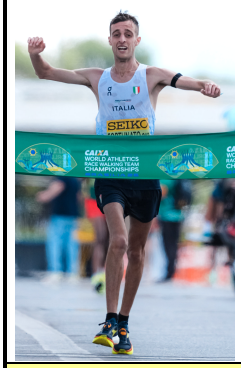

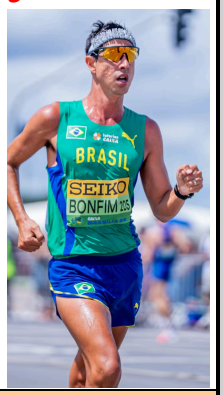

This event, held under various names, is now in its 31st year. It was the first time it was held in South America.
The wide, flat course measured 2 km. Temperatures recorded during the various races ranged between 20° and 25° degrees, with humidity ranging from 80% in the first races to 60% in the last.
All races started and finished next to the Metropolitan Cathedral and the National Library of the Republic, iconic monuments of renowned local architecture, located on the Esplanade of the Ministries, at the beginning of the Monumental Axis.

In this edition, the new distances of the half marathon walk (km. 21,097) and the marathon walk (km. 42,195) were debuted, both the men's and women's senior categories.
